

We believe everyone deserves good food. Join our Board of Directors!

Do you have strengths in **human resources, financial oversight, philanthropy/fund development, legal background, non-profit organizations** and like **building partnerships** across sectors? Food Matters Manitoba is actively recruiting voluntary board members to join our board.

Food Matters Manitoba is **award-winning, community-focused** charity and, together, we are helping more Manitobans get the good food they need.

It is an exciting time to join our board with directors from private business, the public sector and social enterprise. Time commitment is approximately 5 hours per month through participation in Board Meetings and membership on one Sub-Committee.

We believe food is a powerful tool. We know that food brings people together to build skills, develop social networks, feel pride and lead healthier lives.

From kids cooking classes to gardens for newcomers and northern Manitobans, Food Matters Manitoba is making a difference in our province - and we need you to be a part of it!

Please send your resumé and cover letter by May 1, 2019 to:
